Modern Horse Bust Sculpture

Elegant FDM 3D Printable Horse Head

Bring elegance and motion to your 3D prints with this Horse Bust Sculpture, a carefully designed model created specifically for FDM 3D printing.

The sculpt features smooth curves, flowing mane details and a balanced composition that highlights the horse’s strength and grace. Its artistic, minimalist approach makes it a perfect decorative piece for desks,

shelves or modern interiors, while also offering an excellent surface for painting or finishing projects.

The integrated base provides stability during printing and display, ensuring reliable results on standard FDM printers. Clean geometry and optimized proportions allow the model to print smoothly in PLA or PETG with fine layer heights, showcasing the sculpted details without excessive complexity.

Whether displayed as a standalone art piece or used as a creative painting project, this horse bust delivers a refined and satisfying FDM printing experience.
